

Carnival Art project- Tone River

Science Festivals

A bulletin board with a green background and a red border. It features several colorful illustrations of chemistry flasks and beakers. Some flasks have question marks, exclamation marks, or numbers on them. There are also some small text labels and a purple tinsel garland draped across the board.

A bulletin board with a blue background and a green border. It is divided into sections for 2D and 3D shapes. The top section is labeled '2D' and shows various 2D shapes like triangles, squares, circles, and polygons. The bottom section is labeled '3D' and shows 3D shapes like cubes, cylinders, and spheres. There are also some small text labels and a purple tinsel garland draped across the board.
